

# *Thank You, Tillie Schiff!*

Our Shabbat dinners are made possible thanks in part to the generosity of Tillie Schiff (z”l). Tillie was an active member of Mosaic Law Congregation in Sacramento. Through the difficulties of health problems, she never lost her zeal for Jewish community life.

Those closest to her remember her kindness, love of giving, and brute honesty.

She managed the synagogue’s front office and attended minyan services every week. She was involved in tzedek initiatives, such as feeding the homeless and volunteering around her beloved synagogue. She made several trips to Israel later in life.

Her generosity touched Hillel at Davis and Sacramento. After her death, she left an endowment to sponsor several Shabbat dinners for the students of Hillel.

We are immensely grateful for her support and strive to build a Jewish community that reflects the values Tillie embodied.
